

FLOW TRADERS RECEIVES APPROVALS TO OPEN NEW BRANCH OFFICE IN LONDON

Amsterdam, the Netherlands - Flow Traders N.V. (Euronext: FLOW) announces opening a new branch office of Flow Traders B.V. in London and has received the necessary regulatory approvals. The opening of the new branch office is part of Flow Traders' growth strategy in the EMEA region.

Over the years, London has been an important financial centre for Flow Traders in covering its counterparty base and ETF issuer representatives. The opening of a new office fits within its UK strategy and the expanding ETF industry in the English capital, alongside other asset classes such as FX.

"Flow Traders has decided to open a dedicated office in London to maintain and increase the level of contact with our UK counterparties and other members of our ecosystem. It also seeks to preserve our options in a changing regulatory environment", commented Dennis Dijkstra, co-CEO of Flow Traders.

Flow Traders' day-to-day operations in London will be headed by Christopher Meyers. The branch office will report directly into Flow Traders B.V.'s Amsterdam office. The Amsterdam and London offices will together cover the EMEA region for Flow Traders.
